**GARMIN**

**6.2" NAVIGATION / BLUETOOTH / DVD / DAB RECEIVER WITH GARMIN MOTORHOME NAVIGATION DATABASE**

# DNX451RVS

**NEW**

The Kenwood's new DNX451RVS Multimedia system includes Garmin's navigation for Morthome, Camper vans & Caravan.

When installing this system an easy customisable set-up menu will allow you to enter the height, width, weight and number of axles on your vehicle. Once the system has this information it will select suitably safe journey directions. Also screen warnings will appear to give large vehicle hazard alerts in grey, amber and red depending on the severity.

**Just getting connected is not enough.**

The **DNX451RVS** makes linking you with a wider world of entertainment on the road easier, safer and more enjoyable. Compatible with Apple CarPlay, our Weblink portal integrates your smartphone with in-car entertainment system for seamlessly access to Waze and other popular apps.

### European Navigation

Just press the "Where To?" key on the DNX451RVS to put your destination.

You can enjoy of millions of built-in POIs and customisable POIs which can be added such as your favourites camping sites.

### Spotify

Access all your favourite music or browse Spotify's vast catalogue on the move using Kenwood's Spotify direct control on the new DNX451RVS. Both album art and artist details are displayed on our large clear touch screen display. All you need is Spotify's app on your iPhone or Android smartphone and away you go!

### Navigation Lane Assist & Photo Real Junction View

The Lane Assist feature guides you to the correct lane when approaching junctions.

For additional assistance, the new DNX451RVS system have split screen Photo Real Junction View so that the driver can see "Route & Junction View" at the same time.

### Want to quickly and easily find a camping pitch that suits you?

Kenwood's navigation systems DNX451RVS has exclusive POIs especially for campers added. The ACSI Campsites Europe app helps you find a campsite that suits your needs. The campsite information is always and everywhere available. Additional camping and caravan can be added to your favorites.

### Dual Phone Connection

Allows two phones to be connected for hands-free operation at any time. Easily switch between both phones with the touch of a button. Answering, calling or searching your phonebook on your phone is made simple through an intuitive GUI.

### DAB+ & FM/AM tuner

There has never been a better time to get digital radio.

DAB offers playback of hundreds of radio stations at the touch of a button.

The easy-search system makes finding the right station very quick and, once you've tuned in, the latest technology means that listening to digital radio on the move is **free of annoying breaks and distortion**.

With the DNX451RVS, you can get your favourite FM/AM stations on digital, as well as lots of digital-only stations.

### 3 Years Map Update

Don't get lost using old map data, keep up to date and download the latest maps online. Kenwood offers 3 years free map updates enabling you to keep up to date.

### INRIX 2 Years

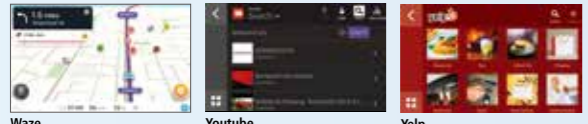

Includes 2 years free access to INRIX data services, offering real time traffic information as well as parking, fuel services, weather and much more.

**YOUR PORTAL TO WAZE, YOUTUBE AND MORE**

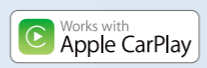

**WebLink** is the new way to get the most out of your in-car receiver. Download the KENWOOD WebLink app and you can connect your smartphone with USB to access some of your favourite apps such as Waze, Youtube and Yelp. Using your apps through the large and clear touchscreen makes WebLink the safest and easiest way to use your smartphone on the road.

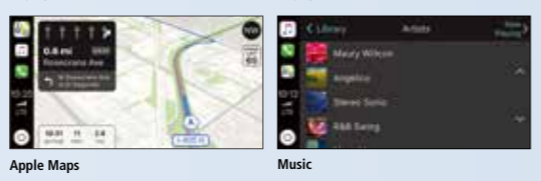

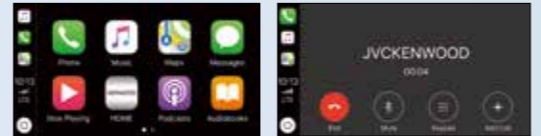

### HIGH-RESOLUTION AUDIO

Supports up to 192kHz/24bit resolution in FLAC or WAV formats providing a superior audio experience, additionally 2018 models let you enjoy Direct-Stream Digital (DSD) sound.

**CarPlay** is the smarter and safer in-vehicle interface to operate your iPhone, and the experience is taken to another level when featured in a KENWOOD multimedia receiver. Simply talk to Siri, or touch the receiver's display and get directions from Apple Maps, make phone calls, listen to voicemail, send and receive texts, and listen to music all in a way that allows you to stay focused on the road.
